STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: California

- B. The method used to collect cost sharing charges for medically needy individuals:

☒ Providers are responsible for collecting the cost sharing charges from individuals.

☐ The agency reimburses providers the full Medicaid rate for services and collects the cost sharing charges from individuals.

- C. The basis for determining whether an individual is unable to pay the charge, and the means by which such an individual is identified to providers, is described below:

The individual determines whether he/she can pay the copayment and informs the provider accordingly. The providers have been instructed that they may not refuse to provide services based solely on the individual's inability to copay.

- D. The procedures for implementing and enforcing the exclusions from cost sharing contained in 42 CFR 447.53(b) are described below:

Providers are instructed via a provider bulletin of those services which are not subject to copayment, and of those individuals who are exempt from copayment requirements. Notices are also sent to beneficiaries informing them of the conditions under which they will be asked to copay.

Enforcement is accomplished by contacting individual providers when complaints of noncompliance are brought to attention of the state agency.

- E. Cumulative maximums on charges:

☒ State policy does not provide for cumulative maximums.

☐ Cumulative maximums have been established as described below:
